Our mission is to provide and develop quality affordable housing opportunities for individuals and families while promoting self-sufficiency and neighborhood revitalization.

ELBA Housing Authority

THE HOUSING HERALD

Issue 1, Volume 4 | A Quarterly Publication of the Elba Housing Authority | Fall, 2018

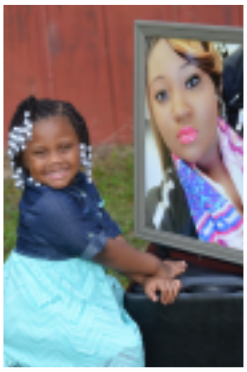
SITE IMPROVEMENTS

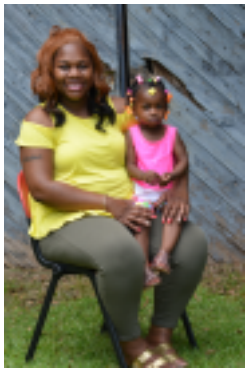
In the past few weeks our maintenance staff has replaced all of the basketball goals at Kendrick/Mullins, Smith-Harper and Morrow Village and painted the backboards. We hope that you will help us to keep an eye on them to ensure that they are taken care of.

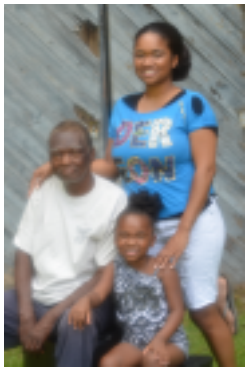
We also have received two new benches which will be placed in front of the two community rooms. They have plaques on them in memory of Mike and Harold Spinks, two former maintenance staff members. These will be placed in the next few days for you and your neighbors to enjoy.

FAMILY PHOTOS

As part of HUD's Strong Families Initiative the Elba Housing Authority hosted a Family Photo Day in June. We were happy to see many of our residents take part in the event. We hope that you are enjoying your family pictures and that you will participate again in the future. If you missed this event, we plan to do this annually and hope to have you join us then.



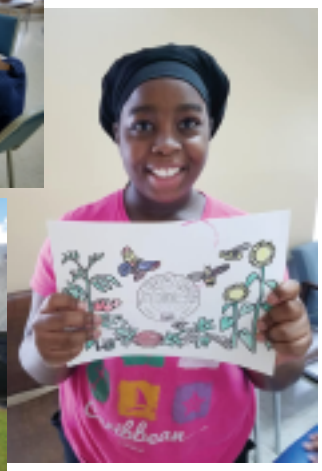




Please let us know if you have ideas of things you would like to see in future issues of The Housing Herald!

MURAL PAINTING DAY

The Elba Housing Authority partnered with Restoration 154, The Giving Garden and the Elba Church of Christ to host a mural painting day earlier this month. The kids that participated all seemed to really enjoy their time with the artist director, "Miss Laura" from Tampa, Florida. Thank you to the parents who encouraged your children to take part in this event.



SAVE THE DATE!

Advisory Council Meeting
Thursday, October 11th @ 1:30 p.m.

Resident Meeting
Thursday, October 11th @ 2:00 p.m.

CAPITAL FUND CAMPAIGN

Work continues to progress in Mullins Apartments. The apartments shown in red on the graphic below have just been completed and the ones in blue will be started on in the next few days. The ones in orange will be completed in 2019 once we have secured the next phase of Capital Funds and the ones in green were already done in the past few years.

If you live on Farris Street in one of the units in blue, you should begin to prepare to move. Pearl Brown, Public Housing Coordinator, will be in touch with you about when it is your time to relocate. If you wish to move permanently, please let her know, otherwise we plan to move you back into your apartment once the renovations are complete.

We greatly appreciate your patience as we have been busy relocating tenants during this process. The summer newsletter outlined specifics on the scope of work and the moving allowance. Please call the office if you have any questions concerning this renovation project at 334-897-2737.
